

D. Nugget #3 – Watson’s “3 Aphorisms” of Contentment

1. “Contentment is a divine thing, it becomes ours not by acquisition, but infusion.”
2. “Contentment is an intrinsical thing; it lies within a man; not in the bark, but in the root.”
3. “Contentment is a habitual thing, it shines with a fixed light in the firmament of the soul. Contentment does not appear only now and then, as some stars which are seen but seldom; it is a settled temper of the heart.”
